SELECTMEN'S REPORT

This year has brought several increases in volume of work for this office.

The assessing process has greatly expanded with initial growth and improvements extending it through the summer months. Land figures in the last survey to determine Tax Assessment Ratios brought about a two-year study of Land Assessment Adjustment for the Town of Richmond. The Board received valueable assistance in reviewing and applying this study from the week-long school of assessing sponsored by the State which they attended this summer. The initial applications of this study are described prior to the Property Tax Record section of this report. The full use of this formula should occur during the ensuing year.

All governmental programs have expanded forms and some now require several copies to be prepared for different departments to save other governmental agencies office time. The State, by not settling its budget, created a money management problem this year but our General Fund balance allowed us to manage efficiently and still further reduce Short Term Interest.

Town growth has increased the annual services provided individual citizens involving processing of taxes, permits and other forms. Many permits require in-field inspection to insure proper compliance and prevent violation of other resident's rights. This Board, after expending much effort on behalf of the Granite Hill Petitioneers, were requested to take no further action. The attempt of Land Vest to transfer land involved in a sub-division refusal involving previous owners is still pending. With regular meeting nights often being totally involved with meeting citizen needs, the schedule of additional work sessions has been greatly expanded.

We sincerely thank the many residents that assume active roles of leadership in Town Agencies whose valuable assistance enables the Town to function smoothly.

LIBRARIAN'S REPORT
1977

Circulation Data—

Fiction	1521
Non-Fiction	1140
Juvenile	992
Magazines	518
Puzzles	18
Patterns	2
TOTAL	4191
TOTAL for 1976	2817

I am including the total circulation figure for 1976 to show the rise in this years figure. This brings our per capita figure to 9.8. This rise is mainly in the fiction field. Fictional paperbacks account for most of this. In the non-fiction field our young people have been using our reference and special subject material more, adults have been using our books on all phases of country living, how-to books and crafts. Our magazine figure is almost double that of last year. My many thanks to all our contributors of periodical material. And another important factor-more people have been using the library.

On the day of the dedication of the Archives and on Richmond Day the library played an active part. Exhibits from the archives attracted much attention and gave many people a chance to see the new addition. The Friends of the Library sponsored interesting and lucretive sale tables at both functions and of course, books for sale attracted many buyers and browsers. The Friends sponsored a sale of baked beans, brown bread, apple pies and harvest produce in October. In November, the annual Holly Fair attracted many area craftsmen to exhibit and sell. Both events were financially successful.

The Richmond Library cookbook was the project of the year for the Friends group. It was an outstanding achievment brought into being largely by the efforts of the late Virginia Oswald, former President of the Friends of the Library. This group is planning a new bookstack for the library in her memory. Ginny's cheerful presence is missed by us all.

Those of you who have visited the library of late have noticed attractive new draperies all over the library. The material was purchased by the Friends and our good friend Norma Thibodeau turned our addition into a sewing room for several weeks to make them up. They not only add to the attractiveness of the place but

keep out much of that chilly weather.

On behalf of the Trustees and myself I want to thank all of you who have given books for our Memory Shelf, our regular shelves and to our book sales. Your continued interest is most valuable to us and we all appreciate it.

Our hours are Tuesdays 3-8 P.M., Saturdays 2-5 P.M. In the summer members of the Friends group volunteer for the hours of 6-8 P.M. Won't you plan to visit us soon?

RICHMOND PUBLIC LIBRARY TRUSTEES, March 8, 1977

For many years past, the Richmond Public Library trustees have not submitted an annual report, having fallen into a custom of letting the annual report of the Librarian suffice. However, the trustees have a responsibility of reporting yearly on their own behalf. They are therefor respectfully submitting this annual report for the year ending March 8, 1977, to the Town, without attempting to repeat anything Edith Atkins has already so well mentioned, at the same time undertaking to submit subsequent statements in time to be printed in the Annual Reports of Richmond, each year.

We accepted the donation of a culvert from Dana Taylor, provided ourselves with copies of the state laws governing library trustees, watched the educational film for library trustees, "Multiple Choice," from the State Library; installed a book drop so books can be returned outside of library hours, worked on a police identification list for library property, conferred with the Selectmen on the potable water problem resulting in Article 35 in the Warrant, handled numerous matters of the archives, also proposed to the Post Office Department a commemorative postage stamp for Richmond's mother of an American President, Eliza Ballou Garfield. We are discussing opening the library Thursdays 6-8 p.m. in addition to the present hours with the Friends of the Richmond Library a volunteer group we hope always to encourage.

During the year these groups used the newly enlarged library for meetings or sponsored activities a total of 42 times: Trustees, Bicentennial Commission, Girl Scouts and Friends of the Library. May we point out to church, recreation and other groups with events to which no admission is charged that the library has some

many fine and even amusing films which can be borrowed free of charge.

We also have been working on a real country project for the library grounds hoping educationally to demonstrate (1) bringing back an old apple tree, (2) rescuing and getting grapes from a "lost" grape vine, and (3) demonstrating the identification and peculiarities of the Tamarack, a Richmond tree that although it is an evergreen sheds its leaves every winter only seeming dead, but can furnish posts lasting in the ground 20 years.

Report of
FIRE CHIEF

I hereby submit my report to the selectmen and the citizens of Richmond for the year ending Dec. 31, 1977.

In the year 1977 we had several small forest fires one building fire at Whipple hill, also several chimney fires.

We cleaned cut brush around three waterholes, one on Rte. 119 by Guy Packards, one on 119 by Beers and one on Rte. 32 by Thompsons.

We were fortunate to receive 400 dollars from the Rural Community Fire protection grants through the department of Resources and economic development which we had to match. We bought 500 ft. of 1½ in. hose, 200 ft. 2½ in. hose.

At this time I would like to thank everyone who worked on trucks and equipment when needed. Especially want to thank Meadowood and surrounding towns of Swanzey, Winchester and Fitzwilliam for help through Mutual Aid.

Respectfully Submitted,

Robert Van Brocklin
Chief Richmond Fire Dept.

By authority of the State of New Hampshire the Forest Fire Warden controls all outside burning in his town, except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow, must obtain a fire permit free of cost from the Town Forest Fire Warden. No permits will be issued for fires between the hrs. of 9 A.M. and 5 P.M. unless it is raining.

Robert Van Brocklin
Forest Fire Warden

To Citizens of Richmond:

Your financial support of Meadowood is sincerely appreciated by all.

It is only through such financial help that Meadowood can continue in its vital role of furnishing the area with highly specialized fire-fighting and rescue equipment, and training facilities for area firemen.

We are pleased to include your name on our Supporting Membership List and to enclose your membership card.

Sincerely,
Charles J. Hanrahan
Chairman, Executive Committee
Board of Directors

To all of our friends in the Richmond Fire Dept., all of us at Meadowood send our most sincere and grateful thanks to the members of the Richmond Dept.

Your continued support is most gratefully appreciated.

Sincerely
Charles Hanrahan

ANNUAL REPORT - 1977
RICHMOND BICENTENNIAL COMMISSION

1977 the two hundred twentyfifth anniversary year of the Town of Richmond marked the third and final year of the Bicentennial Commissions existence. The highlight of events planned by the commission was the dedication day of the Richmond Archives on May 30, 1977. The luncheon which included a two tiered birthday cake made by Dorothy Robbins, the archives open house, reenactments of the return of the delegation from Vermont and the first Town Meeting, performed by the Selectmen and the Fire Department, the return after forty years of the original Richmond Weights and Measures by Professor Richard Martin and the many other gifts to the Archives are all deeply appreciated. We wish to thank everyone for making this historic event such a success. Many townspeople and guests enjoyed the day.

The two hundred twentyfifth anniversary quilt has been given to the archives. Those who participated in its making felt it too historical to leave town. The archives is open by appointment by contacting the newly appointed archivist, Priscilla Longden. It is hoped that the archives will grow in the years to come.

The remaining 225th and bicentennial plates have been given to the archives to help support it with the exception of five of each which will remain permanently as historical momentoes.

Our July 4 raffle funds were used to help defray expenses of our dedication day luncheon. The efforts of the Conservation Commission to restore the Quaker Cemetary have been of great assistance to us in carrying out our "heritage" project. The Bicentennial Commission would like to see this historic cemetary maintained and so we have established, in the hands of the Conservation Commission, a five hundred dollar gift, the income of which is to be used for upkeep of the Quaker Cemetary (still owned by the Quakers according to the Cheshire registry of deeds and therefore not subject to town maintainence.).

Microfilm of some early town documents is being ordered from the Church of the Latter-Day Saints, so that early records of the town will be in the archives. The library will have a few new books in the history line as our final funds will be a gift for this purpose.

In summary may we thank everyone for their support in helping us to observe the birth of our country and the anniversary of our town.

Respectfully submitted,

Norma C. Thibodeau
Chairman

Report of the PLANNING BOARD

Your Planning Board was busy this year in writing a new Zoning Ordinance for our town.

We took the best parts of the proposed ordinance of 1976 and added the many suggestions we received from you, to come up with a workable ordinance that we are proud of.

The two Public Hearings were held November 16 and December 7, and although these were not heavily attended, the people present were very helpful in finalizing the Ordinance that we sincerely hope you will "vote in" at the March 1978 Town Meeting.

In reviewing 1977, in addition to the new ordinance, we also approved the following subdivisions: Bucknell Subdivision on Route 32, North: Ruby Austins subdivision on Monument Road; Donald Bryants subdivision on Route 32, South (who also donated 56.7 acres to Camp Takodah;) Cragin Curtis subdivision on Mill Road; Guy Packards subdivision on Route 119, East; Ruby Austins subdivision which was a boundry change between two owners; and the Kurt Richter subdivision on Martin Road.

As requested at a Public Hearing in December a joint meeting of the Board of Selectmen, the Conservation Committee, and the Planning Board met with the representatives of Tenneco in reference to locating the underground gas pipe line going through Richmond.

The Planning Board members thank you for your support.

Annual Report 1977
Richmond Recreation Committee

The year 1977 was a very busy one for the Recreation Committee. We started the year out with a Band Concert presented by the Winchester Jr. High School. This was held after a Church supper at the Veteran's Hall and attendance was the best in a long time.

In April we took the children bowling at the Winchester Community House. This is something which is done every April vacation for all Richmond choldren, regardless of age. Approxatemately 30 children attended and a good time was had by all.

An adult dance was held in May. Music was provided by the "Good Time Neighbors". We had good attendance with about 60 people present. Light refreshments were served.

July was an exceptionally busy month for us this year. As I'm sure you all know, the Recreation Committee sponsored the parade this year which was held July 2nd in conjuction with the Firemen's BBQ. The day was ideal and attendance perfect. We hope everyone enjoyed it, especially the fact that we were able to have M.R.H.S. band. I would like to take this time to thank all who helped to make it possible. It was a lot of work but worth every minute of it. The committee also sponsored games that afternoon behind the Fire Station. That same evening we held a Disco Dance at the Fire Station which featured T.J. the D.J. This was a free dance and open to all ages. Many of the children enjoyed themselves along with their parents!

Swimming lessons began July 5th and ran until Aug. 18th. About 40 Richmond children took advantage of these free lesson.

Day Camp ran the last full week of July with about 36 town children in attendance. Our councilor this year was Roland Morin from Manchester, N. H. Our Jr. Councilors were Ferd Ahlberg, Jr., Stacey Brooks and Betsy Jillson.

Camp Tokodah Camperships this year were given to Tommy Hillock, Scott Fisher, Kathy White and Melissa Davis. We hope they all enjoyed their camp stays.

In late August the children had an opportunity to see Pinochio at the Keene Summer Theater.

With October came ghosts and goblins and Halloween parties. This year we sponsored a Halloween Costume dance for adults. Everyone in coustume got in free. Prizes were given for Most Original, Funniest & Ugliest. Music was provided by the Crystal Lattice. The turn out was very good and costumes were excellent.

On Monday, Oct. 31st we had our annual Halloween party for the children. Judging was also done here and prizes awarded. We were able to get a Laurel and Hardy film for everyones enjoyment.

Santa came to the Veterans Hall on Sunday Dec. 18th. His sack was full of surprises for all town children. Refreshments were served and a nice visit with Santa enjoyed by all.

We feel we had a very sucessful year and would like to thank everyone who helped us to make it possible.

RECREATION COMPLEX COMMITTEE

In our second year of existance we tried to continue the development of our land behind the Fire Department. Our request for $2500, was cut down to $500. at Town Meeting. This did not allow us to do much but cut the trees behind the Library, remove the stumps and to add a little gravel fill for our proposed playground area. Hopefully the townspeople will consider this years proposal for funds so we may improve the area for our children.

Report of the
RICHMOND CEMETERY COMMITTEE

To the Board of Selectmen:

The usual care of the Middle Town Cemetery and the South Cemetery has been maintained, and the Benson Cemetery has been mowed. The brush was cleared out on the north wall of the Middle Town Cemetery, and the wall between the South Cemetery and the Earl R. Howard Memorial Cemetery was cleared. The dead wood was pruned out of the ornamental shrubs in the various cemeteries. Trees and shrubs suffered considerable damage caused by the severe ice storm. All resultant debris has been cleaned up and removed.

Families are beginning to purchase lots in the Earl R. Howard Memorial Cemetery, and anyone wishing to have a choice of lots in this peaceful spot should contact Valma Davis, our secretary. We are fortunate to have this cemetery finished because, with the exception of a few individual burial spots in the South Cemetery which are reserved by the cemetery committee for the interment of residents whom the selectmen certify as being unable to pay for a lot, the only burial lots remaining in town are in this area.

Our goals for the year 1978 are to fill some graves, repair and straighten some monuments, and to try to lay up the north wall of the South Cemetery as much as possible. We believe that we can accomplish this and provide the usual maintenance within the $500.00 requested from the town for the coming year.

Respectfully submitted,
Jane Jillson, Chairman
Valma E. Davis, Secretary
Harry J. Bennett

NOTE: In connection with the Benson Cemetery, Michael Jillson has been doing extensive work in the field of mapping the area and cataloging the known graves. He is doing this as a Boy Scout citizenship project. We wish to extend to him our sincere thanks and wish him well in this worthwhile endeavor.

Report of the
RICHMOND CONSERVATION COMMISSION

To the Board of Selectmen:

According to the provisions of the Enabling Act, under which the Richmond Conservation Commission was established, the Commission hereby presents an account of its activities for the year ending December 31, 1977:

1. Under the above mentioned Act, the Commission may appoint persons who have special talents or interests as associate members to assist it in its programs. These associate members are privileged to have an input in our deliberations but have no vote.

The Commission appointed Luke Faust, who is always working in our Town Forest and is an avid student of forest magazines, often contributing much input in the area of forest problems; Robert Schofield, who has shown an active interest in our work; and William Suderman, whose photographic talents will be a great asset to our endeavors from time to time.

2. The Commission has held regular meetings every month, as well as numerous work sessions. After the minutes of the meetings have been approved, a copy of them is sent to the selectmen each month.

3. Under the direction of Mr. Fred Toot, the weed control program at Cass Pond was monitored and the results checked by Mr. Knowlton, a state pond specialist. Mr. Jones again made regular observations, and luckily, there were no serious outbreaks this year. Commissioner Jeff Taylor organized a work group, which removed several loads of weeds from the pond.

4. The Commission manned an informational booth at the Annual Richmond Town Fair and disseminated pamphlets on all facets of water quality control, soil erosion, forest management, and other related subjects.

5. Commission members have done more timber stand improvement work in the Town Forest.

6. In view of the fact that the Quaker Cemetery does not belong to the town, the Commission voted to accept a donation of $500.00 from the Bicentennial Commission to be held in a special account, the interest from which may be expended by the Commission for the maintenance of the cemetery. So much effort was made to restore the cemetery that it seems imperative that it be prevented from returning to the wilderness condition which existed prior to the restoration. Therefore, to Commission agreed to assume the responsibility for its preservation.

7. Although the Commission tried valiently to rectify the damage created by an unauthorized filling of a wetland area near the Four Corners, the New Hampshire Special Water Control Board refused to co-operate. For this, and other obvious reasons, the Conservation Commission strongly urges everyone to vote favorably on the revised zoning ordinance, which not only makes the entire ordinance easier to understand, but also would establish a Wetland District. This would give us some local control over wetland activities.

8. Our group has been active in the discussions between the townspeople and the Tenneco gas officials, who may run a gas line route through the town. We would like to have it go on the existing power line land, but we have tried to present a compromise route, which the Tenneco officials have promised to explore.

9. Our main objective for 1978 is to be able to accumulate enough funds to repair the Town Forest road sufficiently to allow Richmond citizens to have safe access into the Forest and to enable them, under supervision, to obtain firewood from trees which we have treated and marked for removal. This would not only improve the Forest, but would also provide fuel for those not

owning woodlots.

We thank you all for your support in 1977, and we look forward to serving you in 1978.

HEALTH OFFICER'S REPORT

This year as Richmond Health Officer, inspection and approval of two privies was made.

On three occasions, water samples were taken from Cass Pond and analyzed by the City of Keene. The test results showed Cass Pond to be a safe place for water sports.

There were reports of dog bites and one report of a child with head lice was received.

Peter Whittemore
Health Officer

ASSESSING 1977

This year the Board inspected over one hundred properties for assessing purposes.

The State Equalization System has pointed out repeatedly a severe lack of sufficient value being placed on land in Richmond. In the last survey, buildings were assessed at 50 to 60% of sale price while land did not often reach 5% of sale price. This problem launched a two year project of developing a land value policy. This policy, while well defined, has created problems in actual application. The Board decided that several major revisions were still necessary before application. The Board chose to apply that part of the policy that was acceptable and to use the lowest land figure that will appear in the new policy for all other land.

All parcels of land were reprocessed under the following criteria. All acerage above 2 acre houselots and all land in other uses will be valued at $50.00 per acre unless otherwise designated below.

Designated, undeveloped houselots - 0 - 2 acres - $500.00

Developed houselot - 0 - 2 acres - $700.00 with shallow well spring septic deduct 20% for lack of septic system

Developed houselot - 0 - 2 acres - $1300.00 with deep well and septic deduct 10% for lack of septic or deep well

Commercial Land - $800.00 per acre

Lake Lots - $1000.00 per lot with frontage plus $150.00 for septic
$300.00 for shallow well or spring
$600.00 for deep well
- $750.00 without frontage and same for added factors
